About AECOM

AECOM is the **world's trusted infrastructure consulting firm**. Our dedicated design, engineering and construction professionals, together with our clients and partners, work to make a positive impact on the communities we serve and **lead change toward a more sustainable and equitable future**. As a multi-profile company, we are able to identify opportunities, protect the environment and improve people's lives.

Over the past few years, we have been included in **Fortune World's Most Admired Companies** list and named one of **Ethisphere's Most Ethical Companies**. In turn, we have achieved a record in engineering, being the top design firm by revenue for more than a decade. AECOM is ranked by ENR's "2023 Top 500 Design Firms" as #1 in **Transportation and Building**, #2 in **Hazardous Waste** and #3 in **Water, Sewer and Waste**.

What we do

CIVIL INFRASTRUCTURE

150
engineers

+30
projects
carried out last
year

+60
rail and
mass
transit
projects

+3,500km
of highway
and road
engineering

Selected areas

- Highways and roads
- Railways
- Water infrastructure
- Mass transit
